for the improvement of the surroundings of the Memorial Hall, both within and without the present Cubbon Park limits, and a sum of Rs 2,000/- required to make up this last mentioned amount was directed to be included in the current year's budget grant of Rs 6,000/-. The Gardens Superintendent now says that out of the three estimates directed to be cancelled, the last two should be allowed to stand as originally sanctioned and further submits for sanction three more Estimates as noted in the margin, thus making a total of Rs 9,524-1-6 for all the improvements required to be effected in the Cubbon Park. Out of this estimated amount, works of the value of Rs 1783/- as stated by have been done during the years 1910-11 & 1911-12, and the Supdt proposes to execute works to the extent of Rs 5720/- during the current year, and to utilise the balance of Rs 2561-1-6 for turfing the Cubbon Park during the next year, when the summer season will be over. In the meantime, the balance of Rs 820 is left out of the current year's budget provision of Rs 6000/- (Rs 6000 - 5180), and this the Supdt proposes to utilise for laying out a bulb garden in the Lal Bagh as per Estimate submitted herein, and also forwards

Sir,

With reference to para 2 of Government Proceedings No.----- G.4569-71/G.M.207-12-7 dated 8th February last calling for a Statement of special works proposed to be undertaken at the -- Cubbon Park against the current year's budget grant of Rs.6000/-, I have the honor to forward the enclosed Statement and to state as follows in explanation thereof:-

2. It will be observed from the Statement that the programme comprises six independent items of work represented by the same number of Estimates marked A to F, respectively, of which the -- first three viz.A,B, & C have duly been sanctioned. The Estimate A is a revised one since the original one treated only that part of the ground located within the former Park limits while the revised Estimate also includes the newly acquired ground -- to the south of the Hall. Government while according sanction to this Estimate have correctly cancelled the original and at the same time inadvertently cancelled B&C-Estimates one of -- which pertains to lawns around the Public offices and the other to the land between the Museum and the Memorial Hall. I therefore request that these Estimates i.e. B & C may kindly be restored and allowed to stand as originally sanctioned.
